

## Certification Public Statement.

**CLE** is proud to announce that we are now an FSC and PEFC certified company. As a result of this award the company's Directors have appointed the *Special Projects Manager* to be responsible for the Company's compliance with all aspects of the FSC and PEFC standards. In the case of PEFC; the appointed person will report to the board on a regular basis as to the company's compliance to the PEFC standard and any non conformance of the standard.
